Our Own Introductions

Burr—Large well arranged flowers of creamy white, very delicately blushed with shell pink. Lower petals have purple blotch. Stamens Prussian blue. A wonderful flower. Price \$1.00.

Pink Art—Rose Salmon, sprinkling of Rose Madder. Creamy yellow throat. Daintily ruffled, with beautiful waxy appearance. Four or five open at one time, and comparing it with all other varieties we have grown, find it surpasses them all in keeping qualities which make it very desirable as a florist's variety and a cut flower for the home. Price 15c; \$1.50 doz.

Henna—Base rich salmon overlaid with copper bronze. Lemon yellow throat. Crimson blotch on lower petal set on lemon yellow. Strong growth flowers slightly hooded with beautiful mauve stamens. Price 25c each; \$2.50 doz.
